God showed His love by sending Jesus to die on the cross and John 15 verse 11 says "This is my command: love one another the way I loved you. This is the very best way to love." (The Message) Therefore, when you have received your eggs, I would like you, to give one of the eggs to a friend, or someone that you will be seeing over Easter and haven't seen for a while. This is a way of showing God's love to others.
